

Bring listings to life

Sell your home faster with an immersive 3D tour from Matterport

Matterport's immersive 3D tours are proven to attract more online shoppers by enabling them to experience a property as if they were really there. **Since 92% of all home shoppers begin their search online**, it is critical you present your home in ways that are interactive and visually engaging to capture the attention of these online buyers... and Matterport is proven to increase web engagement by up to 300%.

With Matterport, you also have the ability to generate 2D snapshots, floor plans, measurements, and create guided tours to show off a property exactly the way you want to.

Proof of concept

Buyers are **60% more likely to email an agent and 95% more likely to call** about a property listing they've seen online that includes a Matterport 3D Showcase.

- REA Group, Australia's largest real estate website, May 2016

Frequently Asked Questions

1  **How long does it take to scan a typical home?**
A typical 2,000 sq.ft. home can be scanned in **60 to 90 minutes**.

2  **Is 3D Showcase compatible with my MLS?**
Matterport offers branded and unbranded versions of 3D Showcase **for compatibility with most MLSs**.

3  **Can I use it on my own site?**
You or your webmaster can embed 3D Showcase on your site, **as easily as you embed a video today**.

What Agents and Brokers Say

"[Matterport] lets me highlight every aspect of a property, which immediately made an impact. Several properties have gone under contract within 24 to 48 hours of posting online.

- Vicky Santana, Agent, NextHome Santana Real Estate

"[With Matterport] I am able to give a higher number of potential buyers realistic access to the home, ultimately bringing sellers more offers and higher prices for their home."

- Michael Woodley, Broker, LUXE Platinum Properties

"Matterport provides the most realistic sense of actually walking through a property online, and is the ideal platform to attract busy and out-of-town buyers."

- Addie Hall, COO, David Young and Company
